The Madden Media Tucson and Phoenix editorial departments is open to hiring 1-2 student interns for the spring, summer, and fall semesters. Interns are expected to work a minimum of 6-8 hours each week. Occasionally we take on interns who have already graduated but are interested in gaining work experience and learning about the publishing industry.

Interns are exposed to many facets of the publishing industry, such as fact checking, copyediting, and formatting copy using InDesign. Interns also attend in-house meetings, write sidebars and listings, and meet with people from the production, design, and sales departments.

If you are interested, please email your resumé and cover letter to: Andrew Schaeffer, aschaeffer@maddenmedia.com · 520-232-2676
